

4.3 | Vanity Insanity

Lewis Carroll has applied for some pretty strange plates.

Verdict: Plates with inappropriate content are not approved.

Reason: No thoroughly reviewed plate isn't processed by a happy, contented DMV employee

Drivers with no state pride always have vulgarity in their plates.

Plates with five or more characters leave room for creativity.

Verdict: Poorly reviewed plates lead to verdicts you should ignore.

Reason: Accessorized plates are hard to read.

No approved plate ever has vulgarity.

Plates without two or more numbers are always a word or phrase.

Verdict: No plate that is hard to read is approved

Reason: Plates that are hard to remember are frustrating for DMV employees.

Drivers with state pride are from rural states, like Arkansas and Alaska.

Hidden meanings are inappropriate.

Verdict: Drivers from rural states will have as many as three states in the text of their plate.

Reason: Plates with a word or phrase have hidden meanings.

Vanity plates that don't include their own state are hard to remember.

Unaccessorized plates never have room for creativity.

Verdict: Yes
