

Stuck in Cosplay

Oh no! You are at the San Fransokyo Comic Con and need to get the lost cosplayers back to their booths, but they won't break character!

“Two to the one to the one to the three. Do you want to learn about altean alchemy? Are you worthy? I think not. Get out of my kingdom, begone thot.”

“If you're going hard enough left, you'll find yourself turning right.”

“I have the high ground.”

“We are no spies. We track a party of Uruk-Hai, Westward across the plain.”

“I'm the one who gripped you tight and raised you from perdition.”

“You shall go west, and face the god who has turned. You shall find what was stolen, and have it safely returned. You shall be betrayed by one who calls you a friend. And you shall fail to save what matters most, in the end.”
